

# LOOK WHAT'S NEW AT **Wishbone** site furnishings

## RUTHERFORD RECTANGULAR PLANTER BENCH

Stop to smell the flowers and take a seat while doing so with our innovative planter and bench combination. The attractive low-profile design brings beauty when the planter is full of blooms and provides a practical place rest. Available single and double bench options provide flexibility for a variety of spaces.

## JEM ROCKING CHAIR

The perfect combination of style, comfort, and functionality, the JEM Rocking Chair is a variation of our highly popular JEM Lounge Chair. This new design is a first in the street furniture market.

Relax and enjoy the smooth rocking motion that the JEM Rocker provides. The unique design of this chair allows it to be secured to a solid base, so it stays where intended.

## BOWEN PEDESTRIAN BOLLARD

The Bowen Pedestrian Bollard is the perfect solution for enhancing pedestrian safety in public spaces. Constructed from marine-grade aluminum, this bollard is built to withstand harsh environmental conditions, including heavy rainfall and salty air. The inside panel of the bollard can be branded with a logo, which can be changed as needed. The exterior can also be branded, making it ideal for businesses and organizations.

## RUTHERFORD 2 SPACE WHEEL- CHAIR ACCESSIBLE PLANTER

This ADA Compliant planter represents a ground-breaking solution in promoting inclusive gardening. Its innovative design seamlessly enables wheelchair users to access a spacious planting bed, comfortably accommodating up to two chairs. Made of durable and low-maintenance components, it is an ideal choice for all aspiring gardeners.

## URBAN FORM HARVEST PICNIC TABLE

Generous in size, the Urban Form Harvest Table is a crowd pleaser for large gathering spaces. This variation of our Urban Form Picnic Table retains the clean lines and architectural appeal within a more open design that is also less expensive. Add two tables end-to-end to create a larger table for even bigger gatherings.

## DENMAN TWIST LOCK REMOVABLE BOLLARD

With its unique twist lock mechanism, this bollard allows for effortless removal in situations where access to an area is required. The bollard features a clever design that allows for a lock to be fastened near the top, keeping it elevated and away from ground-level interference. Of course, it's crafted from marine grade aluminum for exceptional durability.

## JEM DOUBLE CHAISE LOUNGER

Make it a double! Two can kick back together to relax and enjoy the view from this generously sized and comfortable lounger. The sturdy all-weld aluminum frame and robust design was created specifically for commercial and municipal environments where rambunctious and lively activity can be expected.

## SOLUTIONS FOR THE FUTURE ...FROM PIECES OF THE PAST

Since 1995, Wishbone Site Furnishings has become an industry leader in sustainably designed commercial furniture. From our local facilities in Langley and Parksville, BC, Wishbone designs and manufactures innovative and functional site furnishings with high recycled content, requiring little or no maintenance.
