What do we mean:

“The shared beliefs, values, attitudes, behaviours, and norms that characterize how people in an organization think, act, and interact with one another.”

“How we think, act and work together.”

“Culture is like the wind. It is invisible, yet its effect can be seen and felt. When it is blowing in your direction, it makes for smooth sailing. When it is blowing against you, everything is more difficult.”

Culture

Where do we
Start?

Often as individuals we tend to lean towards either process or people. Are you process or people?

A Love me a Process **22 Picks**

B Can't get enough of dem people **69 Picks**

When you think about the "work", it's often a balance between process vs. people. How are you/teams/department spending your time? (think about the meetings you have, to the work you prioritize)

A 0 - 10% time on people, the rest on process

15
Picks

B 10-20% time on people, the rest on process

32
Picks

C 20%+ time on people, the rest on process
